

READ IT BEFORE YOU GO

FIRST KNOCK DAY

One sheet. Use the app's Today's knock walk, say the line, log every door.

1 AT THE DOOR · SAY THIS FIRST, EVERY TIME

It's the law: NE 69-1602

"Hi, I'm _____ with **HMP Siding & Roofing**. We're checking roofs in the area for **storm damage**. We're a local Fremont company, not a storm chaser."

1 Your name **2 HMP** **3 What you sell**, one line. Old-house door: "We help homeowners update old siding and roofs."

Then ask, don't pitch: "Have you noticed any hail damage, or had anyone come look at your roof?"

2 BEFORE YOU LEAVE

- ♦ **Bring:** charged phone, business cards, the app open to Today's knock (or a notepad), water, layers for the weather.
- ♦ **Forms stay in the truck** (contract + cancel notice). Only once someone says yes.
- ♦ **Wear:** clean and tucked in, like a job interview, not a work site.
- ♦ **Area:** Today's knock walk only. It's already the hottest zone, houses only, in order.
- ♦ **Time:** 2-3 hours. Weekdays 4-7 PM, Saturday 10 AM-2 PM. Nov-Feb: 3:30-5:30 PM.

4 AFTER 20 "NO'S" IN A ROW

1 in 100-200

DOORS BOOKS, WHEN NEW

That's normal, not failure. Pros get near 1 in 30 with practice. Same pace, same opening line. Don't get quieter or apologize more.

Take a 5-minute water break every hour, however it's going.

6 LOG EVERY DOOR

NOT HOME

NO

INTERESTED

BOOKED

One tap or one sentence. Interested or Booked: say the address, name and what they said about damage into the app before the next house.

Say it: "Be there during the inspection; we'll show you everything we find."

Insurance questions? The Nebraska Dept. of Insurance free consumer line: 1-877-564-7323.

3 WHAT YOU CAN SAY

- ♦ Free inspection. What storm hit the area and when. What to look for.
- ♦ You'll help **document the damage and meet the adjuster**.
- ♦ **Yes to an inspection?** Get name, best phone, best day and time. Log it right away.

- * **Never promise insurance pays.** "Your insurance company decides."
- * **Never offer anything toward the deductible.** (NE 44-8604)
- * **No price before the inspection.** No "we handle your claim." The claim is theirs.

5 SAFETY

- ♦ Trust your gut. Skip a house that feels wrong: loose dogs, anyone hostile.
- ♦ "No soliciting" sign: follow that town's permit rules. Leave if asked.
- ♦ Tell someone where you're walking and when you'll finish.
- ♦ **Daylight only** on day one.

7 WHEN TO STOP

- ♦ Walk list done **or 3 hours**, whichever comes first on day one.
- ♦ Before you stop, log: doors, talked, interested / booked, and one thing that felt slow or confusing.

VERSIÓN CORTA

PRIMER DÍA TOCANDO PUERTAS

Ruta del día en la app, la frase de entrada y anotar cada puerta.

1 EN LA PUERTA · ESTO PRIMERO, SIEMPRE

Es la ley: NE 69-1602

"Hola, soy _____ de HMP Siding & Roofing. Estamos revisando techos en la zona por daños de granizo. Somos una empresa local de Fremont, no somos de paso."

Luego pregunte, no venda: "¿Ha notado daños por granizo, o ya vino alguien a revisar su techo?"

2 ANTES DE SALIR

- ♦ Teléfono cargado, tarjetas, agua.
- ♦ Use la **ruta del día en la app**: ya es la zona más caliente, solo casas, en orden.
- ♦ Contrato y aviso de cancelación: en la camioneta, hasta que digan que sí.

3 NUNCA DIGA

- * Que el seguro va a pagar. "Eso lo decide su aseguradora."
- * Nada para el deducible: siempre lo paga el dueño. (NE 44-8604)
- * Un precio exacto sin inspección, ni que usted maneja el reclamo.

4 SI DICEN QUE SÍ

- ♦ Nombre, mejor teléfono, mejor día y hora.
- ♦ **Anótelo en la app de inmediato**, antes de la siguiente casa.

PUERTAS, AL PRINCIPIO

Es normal, no es un fracaso. Mejora con la práctica. Mismo ritmo, misma frase.

6 SEGURIDAD

- ♦ Si algo se siente mal, sáltese esa casa.
- ♦ Solo con luz de día el primer día.

7 CUÁNDO PARAR

- ♦ Ruta terminada **o 3 horas**, lo que llegue primero.
- ♦ Antes de parar, anote: puertas, con cuántos habló, interesados y citas.

Dígalo: "Esté presente durante la inspección; le mostramos todo lo que encontremos."
